Screenshot of the Pictails administration interface showing a grid of uploaded images.

The browser title bar reads "Pictails - Administration - All pictures - Mozilla Firefox".

The URL in the address bar is "http://pictails.shingara.fr/admin/pictures".

The top navigation menu includes: File, Edit, View, History, Bookmarks, Digo, Tools, Help, and several links like "colonne l...", "Railscast...", "Colonnes...", "Prise en...", "Introduction...", "Typo Ad...", "FAQ LaTeX", and "Pictails".

The main menu tabs are: Galleries, Pictures (selected), Comments, Settings, Home, and Logout.

The page displays a grid of images:

- Row 1: A small image of a person's face, labeled "cos".
- Row 1: A small image of a group of people, labeled "Darwin was right".
- Row 1: A large image of a colorful flower arrangement, labeled "test 1".
- Row 2: A small image of a room, labeled "VCXVVCK".
- Row 2: A small image of a colorful structure, labeled "aa test".
- Row 2: A large image of a colorful structure, labeled "aa test".
